Objective

Aspiring Software Engineer with a strong foundation in programming, problem-solving, and application development. Experienced in building projects using Java, Python, SQL, and web technologies through academic work and internships. Eager to learn, innovate, and contribute to impactful software solutions.

Education

BVRIT HYDERABAD College of Engineering for Women, Hyderabad
Bachelor of Technology in Computer Science and Engineering — Aug 2025 – Jun 2028
CGPA: 8.05/10

Smt. Durgabai Deshmukh Government Women's Technical Training Institute, Hyderabad
Diploma in Computer Science and Engineering — Jul 2022 – Apr 2025
CGPA: 9.66/10

Unique High School, Hyderabad
Secondary School Education (SSC) — Jun 2021 – Apr 2022
CGPA: 9.8/10

Projects

EduCatch – Educational Egg Catching Adventure — Apr 2025

- Designed and developed an interactive educational game to enhance children's learning through engaging gameplay. Built a responsive user interface and implemented game logic with a scoring mechanism.
- **Tech Stack:** HTML5, CSS3, JavaScript, Python

Hand Gesture Recognition System — May 2024

- Developed a real-time hand gesture recognition system using Computer Vision techniques to detect and recognize hand gestures from live webcam input, improving user interaction and recognition accuracy.
- **Tech Stack:** Python, OpenCV

Technical Skills

Programming Languages: Java, Python, C, SQL
Web Technologies: HTML5, CSS3, JavaScript
Databases: MySQL
Tools: Git, GitHub, VS Code, Eclipse
Operating Systems: Windows
Soft Skills: Problem Solving, Communication, Teamwork, Time Management

Certifications

Industech Solutions – Python Industrial Training — 2024

Completed Industrial Training in Python and developed a Hand Gesture Recognition System using Python and OpenCV.

Experience

Industech Solutions – Python Industrial Training — 2024

- Completed Industrial Training in Python programming.
- Developed a Hand Gesture Recognition System using Python and OpenCV.
- Gained practical knowledge of Computer Vision and Image Processing.

Achievements

- Solved **100+** problems on LeetCode and **600+** problems on CodeChef, demonstrating strong problem-solving and algorithmic skills.
